Help us make an impact in OUR community.

In 2023 we will begin our 33rd year of providing youth baseball opportunities for kids ages 4 to 14 at all levels of play in the Arvada, Wheat Ridge and Westminster area. We are a 501(c)(3) non-profit organization with an all volunteer board of directors and coaches.

Positively affecting kids' lives

We exist to afford the youth of our community the opportunity to play baseball. Provide our coaches with the tools to not only teach the ins and outs of baseball, but to instill accountability, dedication, leadership and other skills within our Association.

Team Sponsorships

8C through 14-Year-Old Teams are required to bring in individual or business sponsorships totalling \$500. This requirement offsets the cost to families of NJJBA and allows us to offer scholarships to those in need.

WIIFM - What's in it for me?

We recognise the support of our team sponsors with a banner placed in the lobby of our facility. Your name, logo and website link will be added to our website.
